A Notice to File Corrected Application Papers issued September 10, 2007, in the above-reference matter which indicated that three sets of color drawings must be filed in order to replace drawings damaged by irradiation of mail. Accordingly, please find enclosed the required sets of color drawings.

Should one or more of the sets of drawings be inadequate or unacceptable for any reason, the USPTO is hereby authorized to publish the drawings currently on file in this application in black and white.

Should there be any outstanding matters that need to be resolved in the present application, please contact Mark J. Nuell (Reg. No. 36,623) at the telephone number of the undersigned below.

Dated: November 1, 2007

Respectfully submitted,

By: Mark J. Nuell
